

Napier's Summer School of Rock **Inspires pupils to be creative**

For the last two years pupils have said they find the summer holidays too long and settling into Year 6 in the first few weeks can be quite a challenge. To ease the pressure Napier Primary has opened its doors and held a summer school in the last week of the holiday. Many Year 6 pupils come to school to sit down to Literacy and Numeracy lessons. Lessons with a difference help to prepare pupils for the start of term, helping them to settle into new routines and get used to completing homework. So, parents like it, teachers like it and pupils certainly enjoy it.

Summer School is designed to be fun and enjoyable for everyone. The week culminates in a School of Rock event hosted by Peter Cook and his band. The pupils are inspired to become creative song writers and performers working hard to create their own rock music and performing on a large stage. Many pupils develop their natural talents and learn skills to work in groups with others.

Peter Cook provides the initial sparks of inspiration setting the pupils off on a creative path. The result is ear-smashingly great leaving pupils feeling proud of their achievements.

The following week, back at school, the pupils are settled, working hard and smiling whilst remembering the superb time at Summer school.
